AAMP–ISMR–Meeting

October 27-30, 2012
Hyatt Regency Baltimore
Baltimore, Maryland USA
Welcome from Program Chairs

Dear Colleague,

On behalf of the American Academy of Maxillofacial Prosthetics (AAMP) and the International Society for Maxillofacial Rehabilitation (ISMR), we would like to encourage our colleagues to attend the Interdisciplinary Rehabilitation Care for the Head and Neck Patient meeting at the Hyatt Regency Baltimore in Baltimore, Maryland (October 27–30, 2012).

This will be the 60th Annual Meeting of the AAMP and the 10th Biennial Meeting of the ISMR. The scientific program provides lectures, poster presentations, workshops panel discussions and continuing education courses advancing mainstream concepts and new developments in head and neck oncology, craniofacial reconstruction, and maxillofacial rehabilitation. Our agenda will bring together leaders in maxillofacial prosthetics and prosthodontics, oral and maxillofacial surgery, head and neck surgery, craniofacial surgery and plastic reconstructive surgery, radiation oncology, oncology, speech and swallowing research and supportive care.

This brochure will provide you with information needed to make plans to join us in Baltimore, Maryland. Thank you for your support and we look forward to seeing you at this unique joint meeting of the AAMP and ISMR.

Betsy K. Davis, DMD, MS
Program Co-Chair

Harry Reintsema, DDS, PhD
Program Co-Chair

Who Should Attend

All clinicians, academics, researchers and industry partners working in the head and neck region such as:

- Maxillofacial Surgeons
- Head and Neck Surgeons
- Otolaryngologists
- Plastic and Reconstructive Surgeons
- Prosthodontists
- Orthodontists
- Radiation Oncologists
- Oncologists
- Speech and Swallowing Pathologists
- Anaplastologists
- Maxillofacial Technicians
- Bioengineers
- Engineers
- Computing Scientists
- Software Developers
- Regenerative Medicine
- Material/Nanoscientists
- Health Economists
- Researchers
- Business Managers/Administrators
- Oral Hygienists

Possible 15 CE credits for educational lectures
AAMP  [ www.maxillofacialprosth.org ]

Founded in 1953, the AAMP is an association of maxillofacial prosthodontists, dentists, and allied health professionals who are engaged in the art and science of maxillofacial prosthetics. The AAMP mission is to accumulate and disseminate knowledge, experience, and the promotion of research programs involving methods, techniques and devices used in maxillofacial prosthetics. The Academy is devoted to the study and practice of methods used to establish esthetics and function of patients with acquired, congenital, and developmental defects of the head and neck and also promotes enhancement of the oral health of cancer patients who have received radiation therapy or chemotherapy treatment.

ISMR  [ www.ismr-org.com ]

Founded in 1996, the International Society for Maxillofacial Rehabilitation mission is to advance interdisciplinary maxillofacial rehabilitation throughout the world. The fundamental purpose of this mission is to improve reconstructive and rehabilitative maxillofacial care with the aim of improving quality of life of individuals needing care. The ISMR interest is in maxillofacial reconstruction and rehabilitation and relates, in broad fashion, to head and neck education, patient care, outreach and research. The ISMR Membership is drawn from the international clinical and research community that has an interest in head and neck related care.

Conference Hotel

Hyatt Regency
Baltimore

Our 2012 joint meeting will be hosted in the AAA Four Diamond hotel on Baltimore’s picturesque Inner Harbor. This urban contemporary hotel offers a luxury gateway to “Charm City”, a luxury venue that overlooks the Inner Harbor.

On the Inner Harbor
300 Light Street
Baltimore, MD 21202
Tel: +1 410 528 1234

Hotel Room Rates:
$205 (Single/Double)
Room rates are quoted exclusive of applicable state and local taxes (currently 13.5%)

Accommodations
Please refer to the official 2012 AAMP/ISMR websites at: www.res-inc.com/AAMP-ISMR-Meeting

Conference Site

Baltimore is the largest independent city in the United States and the largest city and cultural center of the US state of Maryland. The city is located in central Maryland along the tidal portion of the Patapsco River, an arm of the Chesapeake Bay. Founded in 1729, Baltimore is situated closer to major Midwestern markets than any other major seaport on the East Coast. Baltimore’s Inner Harbor was once the second leading port of entry for immigrants to the United States and a major manufacturing center. After a decline in manufacturing, like most other major American coastal cities, Baltimore shifted to a service-oriented economy. The city is home to the National Aquarium, the Maryland Science Center, Harborplace, the Baltimore Orioles and the Baltimore Ravens.

Baltimore’s small town charm belies its vibrant downtown entertainment options. Nicknamed the ‘Charm City’ from a 1975 advertising campaign to promote tourism to the city’s top attractions and activities, visitors were offered a charm bracelet at the city’s tourism center. At each site, a charm was collected for the bracelet. These days, the charming setting of our Baltimore Maryland hotel offers a host of entertaining activities including Sports Legend Museum at Camden Yards, National Aquarium, Comedy Factory and Little Italy.

Historically a working-class port town, Baltimore has sometimes been dubbed a “City of neighborhoods,” with 72 designated historic districts. Most notable today are three downtown areas along the port: the Inner Harbor, frequented by tourists due to its hotels, shops, and museums; Fells Point, (featured in the movie Sleepless in Seattle) and Little Italy, located between the other two, where Baltimore’s Italian-American community is based. Further inland, Mt. Vernon is the traditional center of cultural and artistic life of the city; it is home to a distinctive Washington Monument, set atop a hill in a 19th century urban square, that predates the more well-known monument in Washington, D.C. by several decades. 

Travel Information

International Airports

The closest major airport is Baltimore/Washington International Thurgood Marshall Airport (BWI / KBWI). This airport has international and domestic flights and is about 8 miles from the center of Baltimore, MD.

Another major airport is Ronald Reagan Washington National Airport (DCA / KDCA), which has international and domestic flights from Washington, District of Columbia and is 38 miles from Baltimore, MD.

**Call for Papers**

**Submission deadline date: May 11, 2012**

**Oral Presentation Abstracts:**
Oral presentations are limited to 15 minutes (12 minutes for presentation and 3 minutes for questions). Selection of oral abstract papers will be based on content of abstract, submission date and available time allotments.

**Poster Presentation Abstracts:**
All poster papers related to Conference Topics will be considered, based on submission date, content and available space. Space is limited. Submit your poster abstracts early to ensure a poster location. Cash Awards will be presented for best Student and Non-Student posters. Presenting first authors must register prior to June 15, 2012 to be eligible for presentation and poster awards.

**Submit abstracts on-line:**

---

### Conference Topics

- **Surgical Reconstruction**
- **Maxillofacial Prosthetics**
- **Facial Prosthetics**
- **Implant Care**
- **Rehabilitation Medicine**
- **Chemotherapy and Radiation Therapy**
- **Digital Technology**
- **Functional Outcomes**
- **Nanotechnology and Biomaterials**
- **Tissue Engineering and Regenerative Medicine**
- **Psychosocial Considerations**
- **Supportive Care**

### Special Interest Group Sessions

Session topics are under consideration:

- **Dysphagia**
- **Clinical research**
- **Facial prosthetics**
- **Psychosocial issues**
- **Others**

*Visit the conference website for updates*

### Invited Speakers

- **Tim Bressman**
- **John F. Caccamese**
- **George Coppit**
- **Robert Foote**
- **Barry Grayson**
- **Jeff Harris**
- **David L. Hirsch**
- **Kathleen A. Kapp-Simon**
- **Ann W. Kummer**
- **W. P. Andrew Lee**
- **Jan Lewin**
- **Gorman Louie**
- **Jerald Moon**
- **Jeffrey N. Myers**
- **Hadi Seikaly**
- **Arjan Vissink**
- **Jonathan Wiens**
- **Max Witjes**

---

**Program Schedule**

### Conference Objectives

Colleagues from around the world will present the latest developments, advances and research in the interdisciplinary management of head and neck cancer, trauma, craniofacial and congenital patients.

- Newest technologies designed in the diagnoses, treatment and rehabilitation of the head and neck patient.
- Recent advances in research discoveries for the head and neck patient population.
- Latest advances in the delivery of interdisciplinary care for this patient population.

### Friday, October 26th

- **08:00 – 16:00** ISMR Board Meeting
- **17:00 – 20:00** AAMP Executive Meeting

**Saturday, October 27th**

- **07:00 – 17:00** AAMP Board Meeting
- **08:00** Exhibit Room available
- **13:00 – 16:30** Elective Tour: US Naval Academy at Annapolis
- **13:30 – 16:30** **Industry Partner Session (Corporate Platinum Patron elective)**
- **16:00** Poster Set-up
- **17:30 – 20:00** Poster Session & Exhibit Reception

*Posters remain displayed throughout the meeting*

**Sunday, October 28th**

- **07:00 – 07:45** Continental Breakfast
- **07:45 – 08:00** Opening Announcements
- **08:00 – 09:45** **Plenary Session: Head & Neck Cancer Rehabilitation**
  - **Moderator:** Dr. Dennis Rohner
  - **08:00** Dr. David L. Hirsch
    - Preoperative Virtual Planning for Mandibular Defects to Optimize Functional Implant Supported Prosthetic Rehabilitation
  - **08:20** Dr. Hadi Seikaly
    - Preoperative Virtual Planning for Maxillary Free Flap Reconstruction to Optimize Functional Implant Supported Prosthetic Rehabilitation
  - **08:40** Dr. Max Witjes
    - Virtual Planning and Digital Rapid Prototyping of Surgical and Prosthetic Aids and Parts in the Reconstruction of Complex Mandibular and Maxillary Defects
  - **09:00** **Panel Discussion:** Cutting Edge Approach of Digital Surgical Design for Prefabricated Flaps with Immediate Loading in Microvascular Reconstruction of the Jaws
    - **Moderator:** Dr. Dennis Rohner
    - **Panel Members:** Drs’ – Lawrence Brecht, David L. Hirsch, Harry Reintsema, Hadi Seikaly, Max Witjes and Johan Wolfaardt
  - **09:45 – 10:15** AM Coffee Break | Exhibit Review
  - **10:15 – 12:00** **Plenary Session: Head & Neck Cancer Rehabilitation**
    - **Moderator:** Dr. Thomas Salinas
  - **10:15** Dr. Robert Foote
    - Advances in Radiation Delivery for Head & Neck Cancers
  - **10:45** Dr. Arjan Vissink
    - Clinical Management of Salivary Gland Hypofunction and Xerostomia in Head-and-Neck Cancer Patients
  - **11:15** Dr. Jan Lewin
    - Functional Outcomes in Patients with Head and Neck Cancer: Current Knowledge and Collaborative Initiatives
    - **Discussion**
  - **12:00 – 13:30** AAMP Business Lunch
  - **13:30 – 15:00** Selected Abstracts
  - **15:00 – 15:30** PM Coffee Break | Exhibit Review
  - **15:30 – 17:00** Selected Abstracts
  - **17:00** Session Adjourns
  - **18:30 – 21:30** Social Outing
Monday, October 29th
07:00 – 07:45  Continental Breakfast  Exhibit Review
07:45 – 08:00  Opening Announcements
08:00 – 09:45  Plenary Session: Congenital/Craniofacial Rehabilitation
Moderator: Dr. Lawrence Brecht
08:00  Dr. Kathleen A. Kapp-Simon
Quality of Life for Patients with Congenital or Acquired Craniofacial Conditions
08:30  Dr. John F. Caccamese
Reconstruction of Congenital/Facial Anomalies; Craniofacial Reconstruction
09:00  Dr. Ann W. Kummer
Jaws (They’re not just an eating machine): How Jaw Anomalies Affect Speech and Resonance
09:30  Discussion
09:45 – 10:15  AM Coffee Break  Exhibit Review
10:15 – 12:00  Plenary Session: Congenital/Craniofacial Rehabilitation
Moderator: Dr. David Reisberg
10:15  Dr. Barry Grayson
Craniofacial Orthodontics
10:45  Dr. Gorman Louie
Advanced Digital Technologies in Craniofacial Reconstruction
11:15  Dr. Jerald Moon
The ACPA and Its Role in Advancing Cleft Care Globally
11:45  Discussion
12:00 – 13:30  ISMR Business Lunch
13:30 – 15:00  Workshop 1: 3dMD/Sensible/PCS  Fee Required
Session 1: Craniofacial Reconstruction: Scan, Plan and Manufacture
13:30 – 15:00  *Selected Abstracts
15:00 – 15:30  PM Coffee Break  Exhibit Review
15:30 – 17:00  Workshop 1: 3dMD/Sensible/PCS  Fee Required
Session 2: Craniofacial Reconstruction: Scan, Plan and Manufacture
15:30 – 17:00  *Selected Abstracts
17:00  Session Adjourns
19:00  Conference Reception & Banquet

Tuesday, October 30th
07:00 – 07:45  Continental Breakfast  Exhibit Review
07:45 – 08:00  Opening Announcements
08:00 – 09:45  Plenary Session: Trauma
Moderator: Dr. Gerald Grant
08:00  Dr. W. P. Andrew Lee
Facial Transplant
08:30  Dr. Jonathan Wiens
Prosthodontic Rehabilitation of the Trauma Patient
09:00  Dr. George Coppit
Reconstruction of Trauma Wounds
09:30  Discussion
09:45 – 10:15  AM Coffee Break  Exhibit Review
10:15 – 12:00  Plenary Session: Closing Remarks
Moderator: Dr. Mark Chambers
10:15  Dr. Tim Bressman
Instrumental Assessment of Tongue Function
10:45  Dr. Jeff Harris
Global Picture of Required Competencies in H&N Services
11:15  Dr. Jeffrey N. Myers
The Role of the H&N Team in the Era of Personalized Cancer Care
11:45  Discussion
12:00  Conference Adjourns  Exhibit Breakdown
12:00 – 14:00  ISMR Board Meeting  Council members only
13:30 – 17:00  Elective Workshops  Concurrent Workshops
Workshop 2: AAMP–ISMR  Fee Required
Maxillofacial Insurance Reimbursements
Workshop 3: Cochlear Vistafix System  Fee Required
Advancements in Bone Anchored Facial Prosthetic Solutions

*Colleagues are encouraged to submit abstract papers
Program Schedule subject to change. Additional presentations will be posted on the conference website:
www.res-inc.com/AAMP–ISMR–Meeting

Conference Workshops

Workshop 1: Craniofacial Reconstruction: Scan, Plan and Manufacture
Monday, October 29, 2012
Time: 13:30 – 15:00 Session 1  15:30 – 17:00 Session 2
Course Objectives: Introduce the participants to Digital Craniofacial Capture. Perform a manipulation of the participants image using 3D software techniques with a haptic device. Prepare the modified image for print on a 3D Printer.
Description of Workshop: Participants have the opportunity to take advantage of a workshop that spans the process of image capture, downloading and modifying an image on 3D software using a haptic device, and setting up the image for printing. Images will be captured by the 3dMD systems, downloaded into Sensible software where you will be guided by Mr. Shayne Kondor as to how to modify the image to a stylized image of yourself or loved one, then prepared for printing. This will expose the attendee to all of the steps in the production of medical models, allow for some personal time with the participating vendors for image capture, image manipulation, and printing. Workshop will run for two hours.
Instructor: Shayne A. Kondor, MSAE
Commercial support by 3dMD, Sensible Technologies, and PCS
Limited Participation: Due to availability of equipment, there will be a limited number of 12 participants. Attendance is based on “first to pay, first to participate”. Register early!
Cost: $125 (prior to October 12, 2012)  Late fee after October 12, 2012: $175

Workshop 2: Concurrent Workshop
Maxillofacial Insurance Reimbursements
Tuesday, October 30, 2012
Time: 13:30 – 17:00
Course Objectives: The future of our subspecialty rests on reasonable reimbursement for our services. Workshop participants will learn how to properly bill for services, and will be brought up to date with current and future challenges in the insurance arena.
Description of Workshop: This year, several topics will be discussed in the workshop. An overview of the billing process for both private and institution-based practices will be reviewed, including commercial insurance, and Medicare. We will have a Medicare representative give a presentation as well, updating us on the current and future issues on reimbursement in the U.S. Finally, a member of the ISMR will enlighten participants on reimbursement issues in countries outside the U.S.
Instructor: Dr. Craig Van Dongen
AAMP–ISMR Workshop
Cost: $125 (prior to October 12, 2012)  Late fee after October 12, 2012: $175

Workshops continued on Page 8 (Back Cover)
Refer to conference website for updates
Social Events

Saturday, October 27th
AAMP/ISMR Poster Session and Exhibit Reception
Time: 17:30 – 20:00
Make time to attend the opening event for the 2012 conference. Pick up your conference credentials while you browse through this year’s abstract considerations and mingle with our supporting exhibitors.
Attire: Business Casual
Price: Included in your conference registration fee

Sunday, October 28th
Daily Breakfast – Exhibit Review
Sunday – Tuesday
Time: 07:00 – 07:45
Join your colleagues for a daily continental breakfast and view the latest products/services provided by our industry partners. This is a great time to network before the scientific session begins.
Attire: Business Casual
Price: Included in your conference registration fee

Monday, October 29th
ISMR Luncheon and Business Meeting
Time: 12:00 – 13:30
All ISMR Members are encouraged to attend so that your organization may better serve its membership.
Attire: Business Casual
Price: $145 per person
$165 per person (after Oct. 12th)
Includes roundtrip transportation, exhibit tour, entertainment and dinner

Saturday, October 27th
Group Tour at the US Naval Academy in Annapolis
Time: 13:00 – 16:30
Join us on a guided walking tour of the US Naval Academy in Annapolis. This tour will include information on the history, architecture and traditions of the Academy as well as particulars on midshipman life. Founded in 1845 by Secretary of the Navy, George Bancroft, the Academy started as the Naval School on 10 acres of old Fort Severn in Annapolis.
Attire: Casual
Price: $55 per person
$75 per person (after Oct. 12th)
Includes roundtrip transportation, entry to the academy and guided tour

Monday, October 29th
Baltimore Food & Walking Tour
Time: 11:15 – 14:45
This walking tour incorporates the history, culture, architecture, and of course the wonderful cuisine at some of our favorite local restaurants in Baltimore. The tour will take place in the Fells Point area.
Location: Meet in hotel lobby for a 09:00am departure
Price: $65 per person
$85 per person (after Oct. 12th)
Includes transportation, guided tour and 4-5 tastings at local restaurants

Post-Conference Elective
Washington, DC – City Tour & Food Tasting
Wednesday, October 31 thru Friday, November 2, 2012
Time: 09:00 Wed – 08:00 Fri
This unique tour will consist of a mix of Washington DC culture and history combined with the culinary history of four diverse Washington, DC neighborhoods. The Tour begins with a tasting in Capitol Hill; then the bus will take the group on a condensed monument tour in and around the National Mall. The group will take a short walking tour to see the following: Lincoln Memorial, Korean War Memorial, the Vietnam Wall, and Embassy Row. Day two consists of a custom Old Town Alexandria tour. After tastings, group will visit Mt. Vernon, where the group can explore the grounds.
Location: Pick-up at conference site hotel (Wednesday, Oct. 31st). Drop off at BWI airport (Friday, Nov. 2nd) for morning departures
Complete Tour Itinerary: Contact the RES Seminar office for a detailed itinerary and description of tour (res@res-inc.com).
Price: $520 per person for single occupancy
$760 per person for double occupancy
Includes: roundtrip transportation, guided 2 day tour, 2 night stay at the beautiful Hotel Palomar

AAMP/ISMR Social Outing
Time: 18:30 – 21:30
Make plans to join the conference delegation for an evening of art, entertainment and dinner. We will be holding our social outing at a well known Baltimore staple, the Baltimore Museum of Industry.
Attire: Business Casual
Price: $145 per person
$165 per person (after Oct. 12th)
Includes roundtrip transportation, exhibit tour, entertainment and dinner

AAMP/ISMR Presidential Reception and Banquet
Time: 19:00 – 22:00
Join us for a wonderful evening of networking, elegance, entertainment and dinner. The evening will conclude with the induction of the AAMP and ISMR Presidents / Officers and recognition of other important awards. All delegates are encouraged to attend this wonderful event.
Attire: Black Tie Optional Evening Attire
Price: $98 per person
$118 per person (after Oct. 12th)
Includes entertainment and dinner

AAMP Luncheon & Business Meeting
Time: 12:00 – 13:30
All AAMP members are encouraged to attend so that your organization may better serve its membership.
AAMP members only
Attire: Business Casual
Price: Included in your conference registration fee

Sunday, October 28th
Star Spangled City Tour
Time: 09:00 – 12:30
Join us for a narrated tour of the great city of Baltimore. Departing from the Hyatt Regency Hotel, you will hear the history and see the sites of the following history focal points: Fells Point: Historic maritime community and one-time home of Frederick Douglass, Flag House: The tiny house where Mary Pickersgill sewed the enormous Ft. McHenry garrison flag that inspired Francis Scott Key to write the Star Spangled Banner, Battle Monument: Monument honoring the sacrifices of those that defended Baltimore in 1814, Washington Monument: The country’s first monument to the US Naval Academy in Annapolis.
Location: Meet in hotel lobby for a 09:00am departure
Price: $60 per person
$80 per person (after Oct. 12th)
Includes roundtrip transportation and guided tour
Please register online at www.res-inc.com/AAMP-ISMR-Meeting. If unable to register online, please fill out and fax form to RES Seminars 1 (858) 272–7687. To ensure registration is legible via fax, please type or print information very clearly and with large characters.

Refund Policy: Requests in writing prior to September 28, 2012, fees will be refunded less $75 administration fee. No refunds after September 28, 2012. Accommodations: Contact the hotel directly to make reservations. Identify yourself as a delegate to the “AAMP/ISMR Meeting” to receive the group rate. Make your reservations early!
Sponsors and Exhibitors

The AAMP and ISMR appreciate the contributions from our Sponsors and Exhibitors and encourage all delegates to visit their booth locations for the latest in products and services. Without their generous contributions, this meeting would not be possible.

Silver Patrons

Industry Workshop Patron

Exhibitors

Institutional Sponsors

Additional Support

Poster Awards

Poster Awards will be presented to outstanding posters approved and displayed at our conference.

ELIGIBILITY

There are two categories for awards: (1) Student poster presentations and (2) Non-Student poster presentations. A registered first author of any approved poster presented at the meeting will be eligible for the prize. Approved posters are defined as any “poster title and its first author posted on the conference website”.

ADJUDICATION

Judges will review abstract papers and posters.

PRESENTATION

The prizes will be awarded at the conference banquet.

PRIZE

A cash prize will be awarded to outstanding posters for both students and non-student delegates.

NOMINATION

All approved posters will be included for judging. Due to the large number of posters submitted, poster abstracts will be reviewed upon submission. Selected abstracts from our poster website page will be considered for poster award nomination, based on the quality of the submitted abstract. All nominated posters will be reviewed at conference site Poster Session for content and display. Additional posters, based on display and content, may be considered for awards.

ATTENDANCE

Poster first author must be registered and present during the scheduled Poster Session to answer questions for judges and meeting delegates. Posters will remain displayed throughout the meeting.

CONTINUING EDUCATIONAL CREDITS

Dental CE credits for the state of California will be provided. Approval of these dental CE credits with other state boards is the responsibility of the delegate.

If you have a question regarding your poster, contact our conference administration office for assistance:
